

Matching Gift Companies

If either you or your spouse are employed by a company with a Matching Gift Program, it may be possible for you to increase your financial support of Carrier Clinic without additional expense to you.

Below is a list of local companies who support the important work being done in health care. Please contact your Human Resources department and ask for your company's Matching Gift Application. If you do not see your company listed here please check with your Human Resources department to see if a new Matching Gift Program has been added.

Once you have received the Matching Gift application from your Human Resources department please fill it out entirely and...

1. If your donation was made on line with a credit card, send just your completed Matching Gift form to Carrier Clinic at the address below.

OR

2. If you are sending your donation by check, please be sure to include the completed Matching Gift form with your check and send it to Carrier Clinic at the address below.
